Dear Miss Freud:

I am writing to see if it might be possible for me to have an opportunity of learning more about some of the activities under your guidance. I am particularly interested in the training program for child therapists, as well as the child care projects.

Perhaps you will recall that Dr. Peter B. Neubauer of our Council Child Development Center was eager to invite a child therapist who had completed ~~your~~ training program to come to work at the Center. We have so far not been successful in finding such a person, and I wondered if by chance there might be someone whom you would suggest that I could see while I am in London next month.

As it happens, I will be there on my way to the World Child Welfare Congress at Zagreb and can only remain in London for two days, August 27th and 28th. I Hope it might be possible for me to explore these interests while I am there.

I shall appreciate very much hearing from you.

Sincerely yours,
